PROFESSIONAL SUMMARY

I am a motivated and passionate BS Software Engineering student currently in my 6th semester at Sarhad University of Science & Information Technology, Peshawar. I have hands-on skills in frontend, backend, database management, and modern development tools. I am eager to learn new technologies, sharpen my abilities, and gain practical experience in the software industry, contributing to real-world projects.

WORK EXPERIENCE

Web Developer — Freelance / Personal Projects

- Developed responsive websites using HTML, CSS, and JavaScript.
- Worked on both frontend and backend functionality for web applications.
- Designed and managed databases for web applications.
- Used Git and GitHub for version control and collaborative development.

CORE STRENGTHS

- Problem-Solving & Analytical Thinking
- Frontend & Backend Development
- Adaptability & Continuous Learning
- Attention to Detail

PROJECTS

Full-Stack Web Development Projects

[HTML](#) · [CSS](#) · [JavaScript](#) · [React.js](#) · [Node.js](#) · [Express.js](#) · [MySQL](#) · [MongoDB](#)

- Built responsive, user-friendly websites and web applications from concept to deployment.
- Implemented both frontend interfaces and backend logic, including database integration.
- Practiced version control workflows using Git and GitHub throughout development.
